

# CITY OF FAIRVIEW PARK 2019 RECYCLING CALENDAR STUDENT ARTWORK CONTEST

What does **reduce, reuse, recycle** mean to you? The City of Fairview Park is holding an artwork contest designed to capture what this theme means to Fairview Park students.

Winning artwork will be featured in the City's 2019 Recycling Calendar. Examples of photographs or drawings include those that show how students repurpose objects, reduce waste, or recycle.

Fairview Park's K-12 grade students are eligible for this contest and a winner from each grade will be selected. Each entry must include the artist's name, address, school, grade level, phone number, and optional caption. Entries are due by **Wednesday, May 23<sup>rd</sup> at 4:00 PM.**

## Contest Rules

- All artwork must be original to the artist.
- Hand drawn entries must be on white paper. Any art medium can be used such as markers, colored pencils, crayons or paint. Pale colors should be avoided because they can be difficult to reprint.
- Drawings must be scanned and submitted electronically.
- If a person's face is used in the photo, the artist must get their permission.
- Submit original high resolution digital images (150 dpi or higher) sized between 5.5 x 8.5 and 11 x 17, landscape orientation.
- Artwork that does not adhere to the rules may be disqualified.
- All submissions become property of the City of Fairview Park.
